Hamline Uni

determined to be candidates for a CARES Act emergency grant. Finally, grant award amounts were set in a consistent manner based upon each applicant's AY2020 expected family contribution and enrollment percentage. Eligible students with the highest levels of need received a second award in the fall of 2020.

The following table presents the final 2020 CARES Act expected family contribution (EFC) categories, number of students in each category who were provided an award(s), and total awarded amount ranges.

EFC Category (\$)	Number of students awarded CARES Act grants	Total awarded amounts ranges +
